

Vulcan Juniors Football Club

Subs, Fees, and Payments Policy

Why do we need subs?

All the officials, managers and coaches are volunteers; however, we still have to collect subs to cover the expenses we incur as a Club. Without subs, quite simply Vulcan football club would not exist. To ensure your son / daughter is able to train and then play at the weekend costs many thousands of pounds a year.

What do the subs pay for?

Some of the main expenses we have are;

- Pitch hire for winter training on artificial pitches
- Club house and all associated utility, maintenance and cleaning costs
- Maintenance of 4 pitches including paying for the mowing, fertilising and general upkeep.
- Vulcan football pitch hire from the council each weekend
- Referees' fees
- Insurance
- Warrington League Affiliation
- Liverpool Football Association Affiliation
- Renewal of football equipment
- Kits and clothing
- Paying for volunteers' football professional development and coaching courses
- Presentation nights, trophies and prizes
- Treats for the players

All subs and signing on fees contribute to paying for the items and services on this list.

Outstanding fees and subs will result in the player being sent a letter by the club requesting payment. After two weeks of the account not being settled from the date of the letter, the player will be suspended until the appropriate payments are made.

In the event of a player or the team folding:

- subs will be payable until the final match and/ or training session took place, irrespective of whether you attended or not.
- you will also be required to return Vulcan badged kit. Kit is the property of the club and not team or individual irrespective of who pays for it. It has a value and thus non return may lead to a debt that will prevent a player signing for another club until settled. *Named kit may not be returned.*

Please note: Under FA and Warrington League rules, a player who leaves a club owing money is banned from registering and playing for any other team until their balance is settled. A player, who intends to leave a club for another mid-season, needs the permission of the club he/she is currently registered with. This will not be given until all financial matters are settled.

If you are having difficulty paying the subs could you should inform your team manager or club welfare officer immediately.
