- Ensure that the implementation of the policy is reviewed regularly and monitored for effectiveness.

Club Procedure for Health and Safety

The Lead Coach is the responsible person for the health and safety of their team or the footballing activity they are leading, and this person has a duty to ensure that they hold in date:

- FA Accepted Enhanced DBS check; □ FA Emergency Aid qualification; and
- FA Safeguarding Children qualification.

They should either carry a FA Licenced Coaches Club membership card or know their FA FAN Number and be ready for disclosure on request by a Football Association official. The Club will withdraw any Lead Coaches that do not meet the above requirements.

The following guidelines should be carried out by **ALL** Lead Coaches every time they are present at a club-related football activity (match, training etc.):

1. **Equipment Checks** should be undertaken to ensure that:

- All players wear shin guards
- That the football is safe (i.e. not damaged)
- All equipment is undamaged and is used in accordance with manufacturer's instructions.
- Player's boots and the 'blades' or 'studs' on them are checked regularly for safety.
- All items of jewellery (necklaces, rings, earrings, bands, etc.) are strictly forbidden and must be removed. Using tape to cover jewellery is not acceptable.

2. **Playing and Training Venue Checks** should be undertaken to ensure that:

- The playing venue (pitch, sports hall, all weather surface, field etc.) are assessed for any hazards i.e. any obstacle, item or implement which may cause harm or discomfort to any player, official or spectator.
- That goal posts are secure and safe
- That corner flags and 'Respect' barriers are used correctly in matches.
- Changing facilities are secure and safe

3. **Documented Risk Assessment** – Where the club has not undertaken a documented risk assessment for the premises/activity where players are participating in club-related football, this is the responsibility of the Lead Coach (See Appendix 1).
4. **Visual Risk Assessment** - By completing the checks in #1 & #2 (above), a Manager or Coach is performing a dynamic risk assessment on all Club activities and venues used. On completion of the assessment, the Manager or Coach should ensure that all 'control' measures to reduce both the severity and probability of harm from any hazard occurring are put in place and checked.
5. **First Aid** – A qualified first aider is at all training and match venues with a suitable first aid kit. A fully charged mobile phone is available.
6. **Contact Details** – All Managers and Coaches have access to a complete and up to date 'Emergency Contacts' schedule or an export of all their players' Vulcan Junior Football Club Membership form.
7. **Goal Post Safety** – Familiarise and adhere to the FA's Goal post safety guidelines (<http://www.thefa.com/get-involved/goalpost-safety>).
8. **End of Game Procedures** - All equipment should be packed away safely and securely. All rubbish should be removed from areas used. Managers and Coaches should not leave the location until all Players have departed. Premises should be locked securely and keys returned to key lockers at the Chairman's house or the Treasurers house.
9. **Incident Reporting** - In the event of a person receiving an injury, an 'Accident Report Form' is required to be completed. Once this has been completed it is to be given or emailed to the Club Welfare Officer (cwo@vulcanjuniorsfc.co.uk).
10. **Parental Responsibility** - Children remain the responsibility of their parents / legal guardians at all times when participating in football training, matches and any other Vulcan Junior Football Club activities and also when arriving and departing from them. Vulcan Junior Football Club provides all reasonable safeguards in terms of appropriately vetting its coaches and volunteers, having a Club Child Welfare officer and acting in accordance with Policy and Advice issued by Liverpool County Football Association and The Football Association in the conduct of its activities and affairs. As a Club, our volunteers have a duty of care for the children in our membership but this does not extend to the level of that of teachers or registered childminders and as such parents/legal guardians are advised against dropping their younger age group children off and leaving the site during football training, matches and other Vulcan Junior Football Club activities. Should parents/legal guardians make any arrangements with other adults concerning their child including their supervision and transportation to/from Vulcan Junior Football Club activities then this is at
